For only pennies a day, you can protect your home from costly and annoying plumbing and heating problems!

What is Neptune Plumbing and Heating's Diamond Club?

Simply put, it's a private membership service that Neptune provides for a limited number of our clients.

Our existing Diamond Club members are typically clients that used our services and were thrilled with the quality and service provided. Our Diamond Club members know that when they have a plumbing or heating issue, Neptune will send an experienced technician, fix the problem, warranty the work and charge a reasonable price for the services provided.

Diamond Club members only want one plumbing and heating company in their home... Neptune.

So why become a Diamond Club Member?

Great question!
Here's why we think a Diamond Club membership is worth it...

1) Front of the line!

*As a member of the "The Diamond Club", you'll go to the front of the line and to the top of our appointment book if you ever need plumbing and heating service. You'll never wait for more than 2 hours for our team of experts to arrive at your home**.*

2) Diamond Club Members Pay Less!

As a member of "The Diamond Club", you have the opportunity to take advantage of exclusive Diamond Club specials. What's more, Diamond Club members receive a 10% discount on over 90% of our pricebook!

3) Extended Warranties!

Non-members receive a standard 12-month warranty on all work performed in their home. However, Diamond Club members receive a 24-month warranty on all work. That's twice the peace of mind!

**Subject to availability

4) Lower Service Fee!

When our Diamond Club members call on Neptune for plumbing and heating services, they pay a \$29 service fee. Non-members pay a \$69 service fee (an immediate \$40 savings).*
