What is Neptune Plumbing and Heating's Diamond Club?

Simply put, it's a private membership service that Neptune provides for a limited number of clients.

Our existing Diamond Club members are typically clients that used our services and were thrilled with the quality and service provided. Our Diamond Club members know that when they have a plumbing or heating issue, Neptune will send an experienced technician, fix the problem, warranty the work and charge a reasonable price for the services provided.

Diamond Club members only want one plumbing and heating company in their home... Neptune.

So why become a Diamond Club Member?

Great question!
Here's why we think a Diamond Club membership is worth it...

1) Front of the line!

**Subject to availability
